Accommodations

Homestays: Living with a Homestay family is the perfect way to compliment our language classes and provide a truly immersive environment. Most are within walking distance of the school. Vegan, vegetarian, gluten free, halal, kosher and no food homestay options available.

Shared Apartments: Shared with local and international students, communal kitchen and common area, creating opportunities to meet people and exchange cultures.

Studio Apartments: Our studio apartments come with access to a private kitchen. The living and bedroom are separated, offering more privacy and comfort.

Mini Apartments/Goshiwon (Seoul only): Have a private bathroom and shared kitchen, simple furnishings, and are mainly used by students needing a quiet place. Centrally located, they're a budget choice but less immersive than a homestay.

 All options include free WIFI, heating, air conditioning, water, gas, and all other utilities
