City's Innovation Hub: Empowering Entrepreneurs & Small Businesses

For the past decade, Goodyear's Innovation Hub has been the heart of the community for entrepreneurs and small business owners. With free workshops, networking events, mentoring sessions, and valuable resources, the Hub has fostered numerous success stories and innovative startups. It's the perfect place to launch your next big idea.

Innovative Transportation: Self-Driving Cars

Phoenix is home to Waymo One, a self-driving car service that operates 24/7 across 315 square miles of Metro Phoenix. This innovative technology allows residents to hail a driverless robotaxi, making it one of the first cities where this service is available to the public.

Great Location

Enjoy the best of both worlds—peaceful suburban living just a short 20-minute drive from the bustling city of Phoenix. Whether you're seeking a vibrant urban lifestyle or the tranquility of nature, Goodyear offers it all with easy access to major cities and attractions.
