## New enrolments. Academic year 2026/27.

This document informs of the fees and payment methods of the Universidad Europea de Valencia for the academic year 26/27.

All new enrolments to the Universidad Europea de Valencia are required to pay: study place reservation fee, opening of student file fee and tuition fee.

### STUDY PLACE RESERVATION FEE.

The enrolment fee implies that the student confirms that they are willing to take the university place and would like to continue with the enrolment process, thus ensuring a place in the selected degree programme.

The payment of the place enrolment fee must be made before enrolment takes place.

The amount will vary according the chosen Degree (see fees table).

After receiving the notification of the admission at the Universidad Europea de Valencia you must pay the enrolment fee via one of these options:

- **Credit Card:** it is the fastest option for enrolment.
- **Direct debit.**
- **Online transfer.**

### OPENING OF STUDENT FILE.

The opening of a student file is a compulsory administrative procedure that must be carried out for all new students who enter the Universidad Europea de Valencia in order to be enrolled in the University. This administrative procedure carries a charge of 650€.

### TUITION FEE.

The yearly tuition fee is calculated by multiplying the number of credits/ECTS in which the student enrolls by the cost per credit/ECTS, with the exception of those courses with a fixed price.

**In case of any discrepancy with the information provided by an advisor, consult University Policy.**

### Options of tuition fee payment.

#### RESERVATION FEE PAYMENT.

**Annual payment:** a single payment of the total tuition fee cost. Bank transfer directly to the designated bank account:

- For students enrolled before September 1, the payment must be made before September 1.
- For students enrolled from September 1 onwards, payment must be made within the following 5 days of enrolment.

This method of payment does not exclude the student from the submission of a completed direct debit form.

**Monthly payment:** equal monthly installments. The number of months is based on the start of the first subject and the end of the final subject, as long as the teaching is continuous.

**Deferred Monthly Payment:** monthly payments until August. Possibility of deferring your payments until August. Applicable to Degree courses, not including Adaptation Courses, pre-Degree courses, students in the final year, nor students with discontinuous teaching programs.

#### PAYMENT METHODS.

**Direct Debit:** each month, Universidad Europea de Valencia will send the payment request to the bank account provided by the student according to the selected payment method.

**Flywire payment:** for Students who cannot open a national bank account or SEPA (Single Euro Payment Area).

#### RECOGNITION OF CREDITS.

In the case of recognizing credits for the Global Bachelor's Degree in Business Administration and Entrepreneurship, there will be a charge of 40€ per recognized credit.

The credits that are recognized in other official university degree programs do not carry a charge and will be 100% deducted from the enrollment fee.
