BEST FOR INTERNATIONAL STUDENTS

- 

A diverse community
Join an international community with students from over 30 countries
- 

7 hours of English per week
Develop your English skills and excel in your studies
- 

Experienced staff
Many of our staff have worked overseas at international schools
- 

Individual attention
Develop your skills in an encouraging environment amongst friends

Unlike traditional boarding schools in the U.S., everyone in a CATS class tends to be in the same situation - away from home, needing help to acclimatize, to make new friends and to improve their English.

We support you every step of the way, from teachers who know how to adapt lessons to build confidence in English to houseparents who know what living so far away from home means.

Be confident. Find your voice and learn the skills you need to succeed

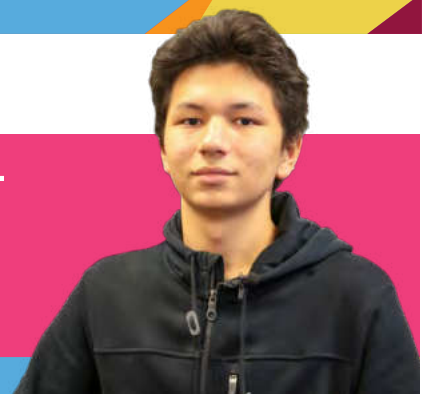

“CATS IS INTERNATIONAL, THAT’S WHAT MAKES IT STAND OUT”

Chi from Vietnam

“THE INTERNATIONAL ENVIRONMENT MAKES YOUR OUTLOOK WIDER”

Abdulaziz from Uzbekistan

“I CHOSE TO STUDY HERE BECAUSE THE SCHOOL IS REALLY DIVERSE”

Jude from Bahrain

“I WAS INSPIRED TO LEARN MORE LANGUAGES AND VISIT THE WORLD”

Julie from Vietnam

“THE FRIENDS THAT I MET...I’M GOING TO TAKE WITH ME MY WHOLE LIFE”

Davi from Brazil

BEST FOR BOARDING

State-of-the-art facilities

Across our campus we have outstanding facilities for you to socialise with friends, study for your classes, or to experience our range of extracurricular activities. To read more about the facilities we offer, go to page 17.

Be entertained. Try new things and make new friends by signing up to our extracurricular clubs, weekend trips and excursions

Become part of the CATS community

At the heart of the school community is Student Government. It helps create recreational and academic events for the students acting as the voice of their peers. Being involved teaches you how to work with others, how to develop leadership skills, how to take initiative, and it helps build your university or college application.

400+ en-suite rooms

Single and shared en-suite rooms on campus or live with a local family

On-site health centre

Managed by trained healthcare professionals

Competitive sports

Compete against other schools in soccer, basketball, and volleyball

Trips and excursions

Experience American life by attending sports games and visiting places of interest

Living at CATS Academy is like life on a college campus. We offer a mix of single and shared rooms with en-suite bathrooms in purpose-built accommodation – because we know if you are comfortable and relaxed in your surroundings you will flourish academically, socially and emotionally. We treat our students as young people, not children. Houseparents are available 24 hours a day to provide the support and nurturing you need to thrive.

We also offer you the opportunity to live with a family in the local area. This 'home away from home' experience allows you to sample real American culture and practise your English within a family environment.

“It is our privilege to work with international and domestic students representing 30 countries. Our completely comprehensive college advising program offers an open-door policy that allows all students to have access to us when they need us.”

Our focus is in three areas:

1. Advising our students how to prepare for applying to the best college/university for them
2. Providing excellent testing guidance, offering the SAT on campus twice a year
3. Working closely with students to prepare a list of colleges and supporting them with their final decision

THE U.S. EDUCATION SYSTEM

YOUR PATHWAY TO SUCCESS

YOUR HIGH SCHOOL DIPLOMA AT CATS ACADEMY
Our High School Diploma program has been designed to suit your individual study needs and put you on the pathway to university or college success.

The qualification

A high school diploma is a North American academic school qualification awarded upon high school graduation. Your high school diploma is typically earned over the course of four years, from Grade 9 to Grade 12.

Quick facts

Age	14+
Average class size	12
Hours per week	22
Start dates	Sept or Jan
Course duration (in semesters)	2-8 semesters For dates see page 63

Core areas of study

To graduate from CATS Academy and receive your high school diploma, you will need to have studied the following, or the equivalent:

- 4 years of English Literature
- 1 year of the Arts
- 3 years of World Languages (for native speakers of English)
- 4 years of Mathematics
- 3 years of Science
- 3 years of Social Sciences/History (including one year of US History)
- up to 4 years of ESL (English as a Second Language) for non-native speakers

Choose your courses based on your ability

- College Preparatory**
These are standard level courses suitable for most students and are needed to obtain your high school diploma. You can expect to get 20–30 minutes of homework each night per elective.
- Honors**
These are aimed at higher ability students. You will study in greater depth and at a faster pace. You can expect to get 30–40 minutes of homework each night per elective. You must qualify to study these courses.
- Advanced Placement (AP)**
Aimed at exceptional students, Advanced Placement courses are college-level courses that prepare students to take College Board exams which can help establish advanced placement in college courses or credit toward a college degree. On these courses, you can expect to get 60 minutes of homework each night per elective. You must qualify to study these courses.

Extra
Designed for international students with a lower level of English. The CATS Extra Program offers small classes and regular language assessment in the core credit-bearing areas of study.

STEAM ENRICHMENT PROGRAM

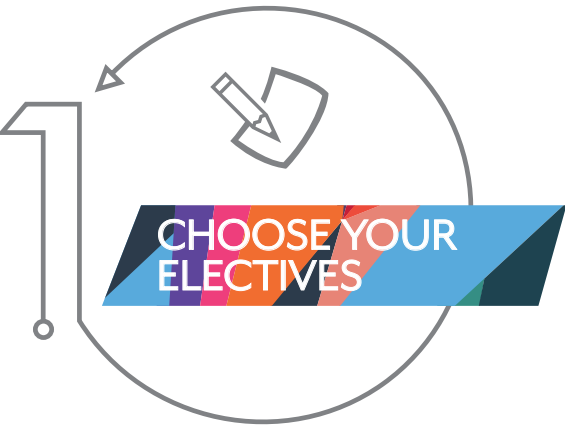

EXPLORE YOUR PASSION FOR SCIENCE, TECHNOLOGY, ENGINEERING, ARTS AND MATH

The STEAM Enrichment Program is a selection of electives, combined with event participation and a project presentation, leading to an award that will improve your college application and demonstrate your achievements.

By following our three-step program, you will develop and excel in your area of interest under the guidance of a team of STEAM tutors. You will also receive expert support from our college counselors to help you apply to leading colleges/universities.

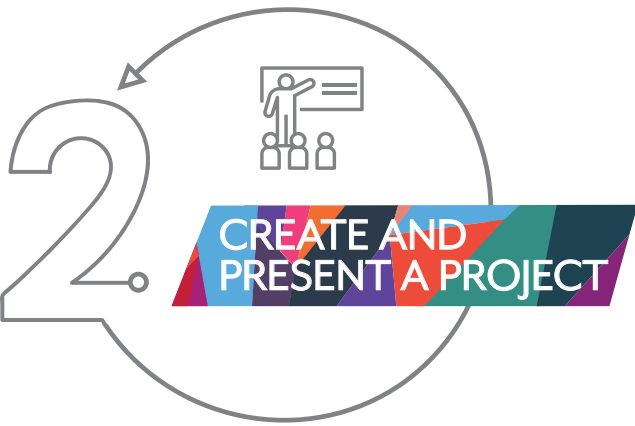

Quick facts

Age	14+
Course length	2 years minimum
Start dates	September and January

To complete this program, you must complete 5 steam elective courses

For a full list of electives, visit page 26

Use skills developed in your electives to complete a capstone project

Students will create and present a project approved by the Director of CATS Innovation and a project advisor. Potential student projects could include:

- An interactive art piece, blending technology and visual art
- A gesture-controlled robot, with innovative design and coding
- A new board game, using 3D printed figures and custom-designed gameplay
- A model smart house, controlled from your phone by the Internet-of-Things

Participate annually in local and school events

Students must attend and reflect upon at least three public events with significant STEAM content. Previous events students have participated in include:

- Science and technology festivals
- Museum exhibits
- Lectures from professionals in the STEAM fields
- Films and performances
- Local fairs and competitions

Receive your award

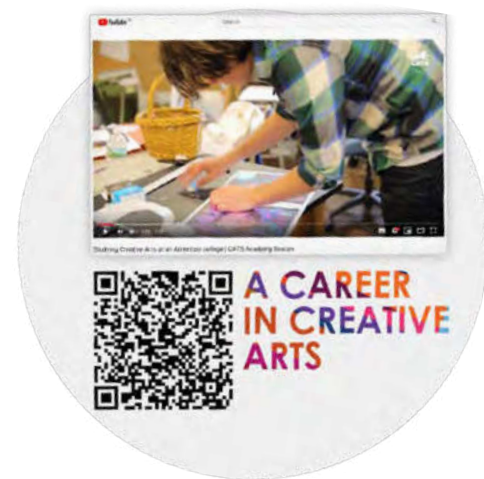

On successful completion of the program, you will be awarded a certificate to demonstrate your achievements throughout the STEAM Enrichment Program.

Your STEAM enrichment certificate will not only be an addition to your record of achievement, but it will also benefit your overall college application to top colleges in the U.S.

Do you want to be a scholar?

By invitation only, the Scholars Program provides extra educational opportunities for high achieving students to prepare for college life. Previous trips include seeing a professor from Stanford speak at MIT on the future of clean energy, and the head of the Government department at Harvard speak on Russian-American relations.

As a CATS scholar, you will regularly visit universities and colleges to gain an understanding of life after high school. You also make regular cultural trips such as trips to museums, places of historical interest, orchestra recitals, sports games and more. Scholars are selected based on academic excellence and a passion for learning, students may apply after one semester at CATS Academy Boston.

“THE NICE THING ABOUT THE SCHOLARS PROGRAM IS THAT YOU GET TO INTERACT WITH THE STUDENTS WHO ARE ALREADY AT THE UNIVERSITIES, IT GIVES YOU AN INSIGHT INTO YOUR FUTURE.”
