

GERMAN FOR DOCTORS

Our communication training „German for Doctors“ is formatted for international physicians with advanced German skills on the level B2 or C1. In this course, we will prepare you for the daily routine on the wards and for the special examination by the Medical Chamber. Additionally, we will support you applying for assistant doctor positions.

Course contents:

- Doctor-patient consultations
- Communication with relatives
- Expert discussions
- Doctor's letters
- Patient presentation and case studies
- Symptoms and therapies
- Medical vocabulary
- Reading specialized articles

GoAcademy! Program offers:

Language license exam preparation for doctors, physicians, hospital staff and pharma staff
