

Unleash Your Potential at Quinnipiac

Quinnipiac University is a private, coeducational university where students and faculty work together to transform in-class academic theory into real-world solutions.

The university enrolls close to 9,000 students in more than 140 programs. Our three campuses in Hamden and North Haven, Connecticut, are surrounded by the seasonal beauty of New England and conveniently located between New York and Boston, providing fantastic opportunities for exploration, fieldwork and internships.

At Quinnipiac, knowledge knows no borders. Everyone at the university benefits from the presence of our talented international students, faculty and staff representing 58 countries — and counting. Inclusive excellence helps us foster important conversations and engagement with all people, thoughts and ideas. These contributions play a powerful role in shaping our lives, careers and communities.
