### PRESIDENT'S MESSAGE

Thank you for considering the University of Regina as you plan the next step of your educational journey.

The University of Regina is a wonderful place — a dynamic international community made of students, faculty, and staff from more than 100 countries around the world.

We value the diversity and many contributions that international students bring to our community, and everyone here is committed to helping you meet — and even exceed — the academic, professional, and life goals you have set for yourself. Your success both during and after your time as a student is very important to us, so a full set of academic and personal supports will be available to you throughout your time here.

As you read this viewbook, I encourage you to think about what our University has to offer you, but also what you have to offer our University. There is no limit to the academic, social, cultural, and professional opportunities that await you here, and there is no limit to how far we can go together.

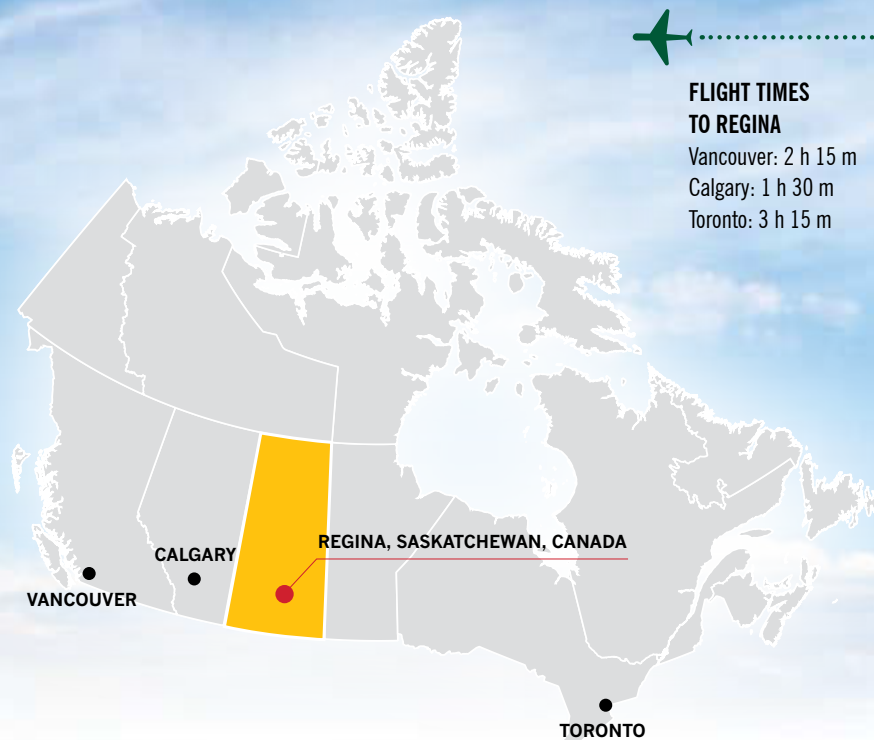

Yours sincerely,

**Jeff Keshen**

*President and Vice-Chancellor*

## WELCOME TO THE UNIVERSITY OF REGINA,

situated on Treaty 4 lands with a presence in Treaty 6. These are the territories of the nêhiyawak, Anihšīnāpēk, Dakota, Lakota, and Nakoda, and the homeland of the Métis/Michif Nation. Today, these lands continue to be the shared Territory of many diverse peoples from near and far.

### AVP INTERNATIONAL'S MESSAGE

The University of Regina is truly a gem.

Situated in the heart of the Canadian prairies, our rich heritage, growing diversity, and culture of service excellence guide all that we do to ensure our students' experiences exceed all expectations. Our commitment is, and always will be, to you – our students.

On our campuses, you will be supported not only in your academic pursuits, but your career and life goals as well, through innovative research, access to world-class facilities, exceptional programming, and a multitude of experiential learning opportunities that will help you shape your future through hands-on experience in your area of study. We provide extensive physical and mental health supports through our Student Wellness Centre and other services.

We are working closely with our Indigenous partners to reconcile our past and build a better tomorrow. You will be welcomed into a community that is empowered by diversity and empathy - qualities and strengths that make the University of Regina a world-class institution.

It is truly an honour to personally extend my sincerest greetings to you as prospective students. Together, as always, we bridge opportunity and achievement in the true Saskatchewan spirit of cooperation and collaboration.

Thank you for considering the University of Regina as your future home away from home to further your educational dreams. Let's go far, together.

Sincerely,

**Haroon Chaudhry**

*Associate Vice-President (International) & Chief International Officer*

## “ STUDENT TESTIMONIAL

Besides the documentation and visa hurdles, coming to Canada was seamless due to the connections I made at the U of R and support groups on campus. The travel was daunting and fun at the same time. As I landed, I was convinced why Regina is called the Land of Living Skies – it was breathtaking!

I recently applied for my co-op work permit and could easily do it through the International Student Services drop-in appointments. I also received immense support during the change of course process as well as navigating the campus.

The U of R has immense opportunities and space for growth. I am involved as an International Peer Advisor, Ambassador Leader, and VP Marketing of Enactus. Exploring your passion and figuring out things on campus is so much fun and comes with a lot of learning about yourself too. The CESL office has been instrumental in providing ample career opportunities and UR International has been a helping hand to make everything seamless and doable.

## ANGEL PACRAY

**COUNTRY:** PHILIPPINES  
**PROGRAM:** DIPLOMA IN BUSINESS ADMINISTRATION

### INTRODUCE YOURSELF:

My name is Angel and I am from the Philippines. I am currently taking a two year Diploma in Business Administration. I am very fond of traveling and that is primarily because I like exploring different places and learning about other cultures.

### WHY DID YOU CHOOSE THE U OF R?

Choosing the University wasn't a difficult choice to make because all the competencies that I'm looking for in an educational institution are found here. One of which is that they provide good quality education. The

instructors here ensure that we achieve excellence in our field. Instead of simply having us memorize textbooks, they put more emphasis on educating us in the sense that they get us ready for the real world of work.

### MOST INTERESTING THING YOU LEARNED SO FAR:

Since I got here, I have learned to be independent. So far, I have become adept in cooking myself a meal and trying different kinds of dishes so I could improve more of my cooking skills.

### FAVOURITE THING TO DO ON THE WEEKEND:

I spend my weekend binge-watching some series on Netflix, going outside using my Uncle's bicycle and cycling around our neighbourhood.

### CAMPUS TIPS

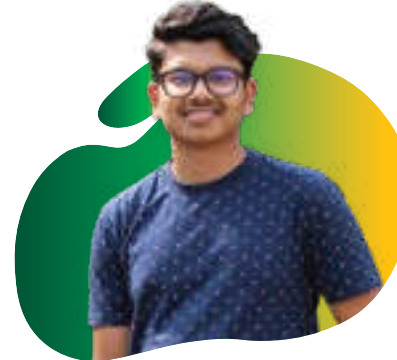

Locate the facilities that will be of help to you, like the library where you can get help with your assignments and the student lounge where you can review and relax while waiting for your next class.

# What Is The U of R Really Like?

## KARTIK PATEL

**COUNTRY:** INDIA  
**PROGRAM:** BSC COMPUTER SCIENCE

### INTRODUCE YOURSELF:

My name is Kartik Patel, a second-year CS student from Dakor, Gujarat, India. At the U of R, I am a GitHub Campus

Expert and involved with CSSS and URGDSC (student clubs for CS students). I love exploring new technologies, building projects, and connecting with people.

### WHY DID YOU CHOOSE THE U OF R?

I chose the U of R for several reasons. Firstly, the university offers affordable and high-quality education, which is particularly important for me as an international student. Additionally, the U of R's commitment to diversity and

inclusivity creates a welcoming environment where I feel comfortable and can connect with people from various backgrounds. This opportunity to interact with individuals from different parts of the world greatly appealed to me.

### MOST INTERESTING THING YOU LEARNED SO FAR:

The most interesting thing I've learned so far is how to handle pressure and manage my workload effectively. Through my studies, I have developed strong decision-making skills and the ability to prioritize tasks. This has been crucial in managing my time and meeting deadlines, especially during intense semesters like Fall and Winter.

### FAVOURITE THING TO DO ON THE WEEKEND:

Participate in hackathons (24-hour coding competitions), where I engage or assist fellow participants as a mentor. It's an exciting way to challenge myself and collaborate with others. When I'm not coding, I enjoy spending quality time with my family, meeting up with friends, and connecting with new people to broaden my perspectives.

### CAMPUS TIPS

Connect, engage, get involved, utilize resources, and manage your time effectively to make the most of your campus experience!

## HAPPINESS OKEKE

**COUNTRY:** NIGERIA  
**PROGRAM:** BSC COMPUTER SCIENCE

### INTRODUCE YOURSELF:

My name is Happiness Okeke, and I am from Nigeria. I am studying for my bachelor's degree in computer science. My interests include reading, coding, dancing and making people happy.

### WHY DID YOU CHOOSE THE U OF R?

I chose the U of R because of their willingness to accommodate students. As an international student, having a body like UR International is encouraging as it shows

that the university cares about the student and is willing to give them the best it can offer in terms of education or livelihood.

### MOST INTERESTING THING YOU LEARNED SO FAR:

The most exciting thing I have learned so far is how important it is to make good friends because it could make or break your university experience. With the right friends, the university can be very fun. Studying can be much easier, and you can have a balanced social life.

### FAVOURITE THING TO DO ON THE WEEKEND:

My favourite thing to do during the weekend is to spend time with my friends and create content for my YouTube channel.

### CAMPUS TIPS

I will say always go to every class, ask questions, take your assignments seriously, and always make your professor your best friend for any challenging class you find difficult to understand. Also, join extracurricular activities as it will help you meet people from different parts of the world.

### INTRODUCE YOURSELF:

My name is Quang Minh Vu and I am from Hanoi, Vietnam. I am currently pursuing a bachelor's degree in business administration with a major in Finance, and at the same time, I am also obtaining a certificate in Economics and a certificate in Ideation, Creativity, and Entrepreneurship. I love reading books, watching movies, and researching political and economic issues going on in the world.

### WHY DID YOU CHOOSE THE U OF R?

I chose the U of R because the university has a pioneering program in the field of entrepreneurship and the most prominent professor is Peter Moroz. Moreover, qualified professors with high expertise, the reputation of the university, and diverse study opportunities are also the main reasons why I chose the University of Regina.

### CAMPUS TIPS

Always ask questions if there is something you are not clear about.

## QUANG MINH VU

**COUNTRY:** VIETNAM  
**PROGRAM:** BBA FINANCE

### MOST INTERESTING THING YOU LEARNED SO FAR:

The most interesting thing that I have learned at the University of Regina is the skill and knowledge of analytical research software to support professors in the process of scientific research.

### FAVOURITE THING TO DO ON THE WEEKEND:

I love to explore the city and experience restaurants around Regina on the weekend. Going to the library to read is another favourite activity of mine.
