Welcoming players of all levels

Junior tennis camps for young players is what we specialise in and our expertise and enthusiasm enhance the whole experience. Our coaches all have lots of experience developing tennis players so you will quickly improve your game and gain skills useful on and off the court.

Fun and education

During their stay, our campers have a fun filled experience to remember. In the encouraging and multicultural environment, there is a great camaraderie, and students will mix and form friendships with people from around the world.

Individual attention

With a coach to student ratio of 1:4, each student will receive direct instruction to impact their game. This allows us to make sure every player is challenged and motivated throughout their stay.

Quality coaching staff

The coaching team is hand-selected to provide the best possible tennis camp experience, within the team is specialised coaches to provide the required expertise and attention to everyone's needs.

If you are a beginner or a player competing at a high level the coaching team will have the skills needed to improve your game.
