**A warm  
 Welsh  
 welcome**

***Wales is known as a country full of song, legendary stories, and rich traditions. Its unique culture is inspired by truly breathtaking landscapes, which, when you see them for yourself, will inspire you too!***

Natural and historic beauty is easy to find in Wales, with waterfalls, rolling green hills, dramatic mountains, ancient castles, unique wildlife, and a coast path that runs along the entire length of the country.

Our cities are compact and easy to get around, while our towns have a warm community feel. Wales, lesser known than the other UK nations, can be considered a 'hidden gem' because of all that it has to offer.

Celtic English Academy is based in Cardiff, the capital city of Wales; a friendly, affordable and safe place to live and study. When you come to study English with us, you don't just learn it, but experience it through a range of activities and excursions.

# Cardiff, the beautiful capital of Wales

Cardiff is a great place to live and study.

It offers everything you would expect from a capital city: world-class entertainment, historical sites, and excellent shopping, all while still being one of the most affordable places for students to live in the UK.

Wales was voted one of the Top 10 Most Beautiful Countries in the World by Rough Guides in 2019 and is considered a great starting point to get to know the entire UK.

## Heritage

Romans, Normans and Victorians all helped shape the Cardiff that exists today. You can learn about Cardiff's rich history at its many historical sites and museums. Cardiff Castle and the beautiful Bute Park castle grounds are only 10 minutes' walk from the academy.

Twice awarded 'European Capital of Sport', Cardiff has fast become a leading city for sport on an international level. The Principality Stadium hosted the 2015 Rugby World Cup and the 2017 UEFA Champions League football final!

## Low Cost & Safe

Cardiff is one of the best value university cities. Throughout the year, regular free festivals and events take place. The Cardiff street food scene has exploded in recent years and there are many 'pop-up' events to enjoy. It is also one of the safest cities in the UK to live in.

## Entertainment & The Arts

You find poetry in the buildings and music in the air when you visit Cardiff. There have been live concerts by world-famous artists like Ed Sheeran, Beyoncé, Taylor Swift, and Harry Styles. You can also enjoy classical music, musicals, and opera at the Wales Millennium Centre or St. David's Hall.

## Nightlife

Cardiff has great restaurants, nightlife and a well-established pub culture. If you are looking for a night out, the lively St. Mary Street or Cardiff Bay are the busiest areas at the weekend.

# Social responsibility

## Let's be honest...

The study travel industry has a lot to answer for when it comes to taking care of people and our planet. In addition, the word 'sustainability' has become used so widely that it has almost lost all meaning.

The greenest thing you can do?  
Not travel around the world by airplane.

But, as we're in the business of international education, we are passionate about the transformative power of education, to help aspiring students study English to be a better global citizen and for better community life.

We support and encourage our staff and students to make ethical decisions, feel fantastic and then let someone else feel fantastic, too. Make memories. Make informed choices. Make life as good as it can be.

We'll just make it all a bit brighter, and try to do it all a bit better.

### The Celtic promise:

**We donate £1 to our Corporate Social Responsibility initiatives for each student who studies with us.**

# Here are some examples of what we do

### Sponsor refugees to study English

We provide scholarships for refugees to the UK to study with us in partnership with RefuAid.

### Green energy suppliers

All of our energy suppliers are green energy.

### Support international community

We provide learning opportunities to those who are disadvantaged. Some examples are: helping Rwandan children out of poverty / school project, and sponsoring 5 Sri Lankan female students to go to university.

### Certified Carbon Neutral

We are now certified as Carbon Neutral by Carbon Neutral Britain. This milestone reflects our unwavering commitment to environmental sustainability.

### Cycle to work/study

We encourage our students and staff to cycle and installed bike racks in our car park. Cardiff is Britain's best city for cyclists (2020), so it's a great place to be an environmentally friendly traveller!

### Recycled paper

We try to use recycled paper whenever possible, including this brochure.

### Raising funds for charities

We support charities such as Food Bank and Marie Curie. We encourage our staff and students to take part in different activities. These activities range from baking cakes, running a half-marathon, and singing Christmas songs.
