24. Visas

Depending upon the location of IELS, you may require a visa to study in such location. IELS will assist you in connection with your initial application for a visa but in all other respects it is your responsibility to apply for and obtain a visa where necessary. Further information about visas can be found on <https://identita.gov.mt/central-visa-unit-main-page/>

25. Students under the age of 18 years on Adult courses

Students under the age of 18 are considered as Minors under Maltese Law, and thus must abide by a curfew of 12-midnight within their selected accommodation, and are not permitted to attend certain activities/excursions sold in-house which may involve the presence of alcohol. A notarised letter from the parents/guardians must be provided before the Start Date for all Minors booked on any IELS course (Adult or YL) who are not booking accommodation provided and supervised by the school.
