ようこそ!

WELCOME!

Lexis Japan has for more than ten years offered Japanese language programs for both juniors and adult students in the city of Kobe.

Study at Lexis Japan won't be about long days of grammar and endless kanji lists - we believe that **language learning should be communicative, fun and engaging.**

Our state-of-the-art facilities provide everything needed to succeed; from comfortable study spaces to a welcoming student lounge.

But learning doesn't stop in the classroom. At Lexis Japan, **we combine serious study with serious fun.** From their first day, our students are immersed in Japanese culture, connect with people from around the world, and create unforgettable memories while they learn.

With our location just minutes from Kobe's major attractions, our students are **perfectly placed to explore everything this incredible city has to offer - and Kobe is a city seriously worth exploring!**

A destination in it's own right, Kobe nevertheless offers relief from the tourist hordes in Japan, and remains a city where you can still lose yourself in the Japanese culture.

When it's time to get out and about, the ancient capital Kyoto is an easy day trip, while the temple city of Nara and the castle town of Himeji are short trips away. When it's time for a night on the town, the neon lights of Osaka are just twenty minutes away.

We like to think that **Kobe is Japan's best kept secret.** We look forward to sharing it with you.

Language study should be fun! At Lexis, we have a challenging, fast-paced curriculum, with a real focus on communication.

Our teachers will do their best to **help you reach your learning goals**, my job is to **make sure you have fun along the way.**

- Yasuko, Director of Lexis Japan

神戸市(こうべし)

KOBE, JAPAN

Perched on the slopes of the Rokko Mountains and overlooking the spectacular Osaka Bay, Kobe is consistently ranked as **Japan's most liveable city**. It's easy to see why!

Kobe offers all the attractions of Japan in one place – whether you're seeking the neon madness of the Sannomiya entertainment district, the old world elegance of the former foreign settlement, or the tranquility of the millennia-old Ikuta shrine.

Within Japan, Kobe is best known for its fine dining and nightlife, with many of the country's leading restaurants in the area immediately surrounding the Lexis campus. Look on the menu for the world famous 'Kobe Beef', but just as popular to Kobe residents are regional specialities such as takoyaki, okonomiyaki and kitsune udon.

Kobe has new and **exciting adventures to be discovered each and every day!**

WHAT OUR STUDENTS SAY

Tim, UK

"Studying at Lexis Japan in Kobe was an absolutely amazing and unforgettable experience. The teachers were fantastic, so patient and incredibly helpful and they genuinely cared about my progress."

The strong focus on conversation really helped me raise my Japanese speaking skills to a new level. I also loved the cultural activities, which gave me the perfect chance to practice what I learned in class while exploring the beautiful city and bonding with students from all over the world. **If you want to study Japanese and have a fun, fulfilling time in Japan, I highly recommend Lexis Japan!**"

Zoe, Belgium

"I came to Lexis Japan from Brussels because I love everything about Japan - especially the culture and the food, and the people are so kind. My interest in Japan started when I was a child, and that's why I **decided to take the leap and study the language here.**

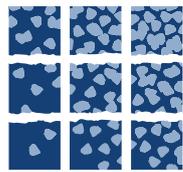

Before I started, I couldn't speak Japanese, but in just one and a half months, my speaking ability has improved significantly.

I feel comfortable at Lexis because asking questions is easy, and the teachers are like friends. My goal now is to be able to watch Japanese movies using only Japanese. **Lexis is helping me get closer to that dream! I would absolutely recommend this school.**"
